

ACA-CP-025

LHD Cable Accessory - Clip "P", (Aluminium) w/ Sleeve - Qty25

P-Clip

The ACA-CP series "P" clip is designed to secure LHD (linear heat detection) sensor cable. Every clip is supplied with a silicone pad. The pad protects the cable from mechanical damage and insulates it from the clip to protect it against heat transfer between the mounting surface and the sensor cable.

Installation

Recommended spacing: 1m

Standard Features

- Easy installation of linear heat cable
- Available in aluminium
- Available in quantities of 25
