

The screenshot shows the eAdvance web application interface. On the left is a blue sidebar with the eAdvance logo and a user menu for 'Tom Bennet' with options: Pre-Register Visitor, Pre-Register Group, Returning Visitor, View History, Change Password, and Logoff. The main content area is titled 'Registration Information' and contains two sections: 'Registration Information' and 'Visitor Information'. The 'Registration Information' section has fields for Reason (Meeting), Category (Visitor), Arrival Date (02/09/2009), Arrival Time (9:00 AM), Employee (Tom Bennet), Site (Highland Circle), Departure Date (02/09/2009), and Departure Time (11:30 AM). The 'Visitor Information' section has fields for First Name (John), Last Name (Smith), Company (Acme, Inc.), Title (Vice President of Sales), Phone ((781) 455-8558), Fax ((781) 455-6766), and Email (jsmith@acmecorp.com). A legend indicates that fields with an asterisk are required. At the bottom are 'Submit' and 'Clear' buttons.

### System Requirements:

- Microsoft Windows Server (NT, 2000 or 2003)
- Microsoft IIS 5.0 or higher
- 512 MB of RAM

### Hosted Option:

- eAdvance can also be hosted by EasyLobby as a value-added service
