

TVW-2401

TruVision HD-TVI Analog Wedge Camera, PAL, 1080p, 2.8 mm lens

Overview

The TruVision® HD-TVI Analog Wedge Camera by Interlogix delivers cost effective surveillance with high resolution HD-TVI technology and up to 1080p image quality over existing coaxial cable. This camera also has the ability to see in low-light conditions providing color images by day and black-and-white images in night-time applications (in conjunction with IR illumination).

Along with an IP66 rating for outdoor installation, it is also IK8 rated for impact resistance.

With quick and easy installation, the HD-TVI Wedge Camera is ideal for new or existing projects and helps users stay within budget constraints without compromising security needs.

Standard Features

- 1080p HD resolution
- HD-TVI technology for transmitting HD quality video over existing coax cable
- True day/night functionality and infrared illuminators with Smart IR function for capturing images in various lighting scenarios
- IR range of up to 10 m
- IP66 environmental rating
- True WDR (120 dB)
- 2.8 mm fixed lens
- 12 VDC
- Provide OSD control via TruVision up the coax and built-in menu button
- IK8 vandal rating
